

COVERED COMPONENTS

ENGINE

All internal lubricated parts, water pumps, engine mounts, engine cushions, exhaust manifold, intake manifold, front cover, harmonic balancers, flywheel, flywheel ring gear, pulleys and eccentric shaft, seals and gaskets. Engine block, cylinder head(s), cylinder sleeves, oil pan, and valve covers only if the damage results from the failure of an internal lubricated part.

TRANSMISSION

All internal lubricated parts, transmission mounts, vacuum modulator, and seals and gaskets. The transmission case, housing, and oil pan only if damage results from the failure of an internal lubricated part.

DRIVE AXLE

All internally lubricated parts contained within the drive axle housing, hub, axle and non-serviceable bearings, drive gears and clutches, constant velocity joints, axle shafts, and seals and gaskets. The axle or transaxle housing only if the damage results from the failure of an internal lubricated part.

BRAKES

Master cylinder, vacuum and hydraulic power brake booster, wheel cylinders, hydraulic lines and fittings, and disc calipers.

ELECTRICAL

Alternator, voltage regulator, voltage sensor, distributor, starter motor, starter drive and solenoid, electronic ignition module, wiring harnesses, manually operated switches, wiper motor, power window motor, and sunroof motor.

OPTIONS AND BENEFITS

NEW COVERAGE

- Exclusionary coverage options only (see inside).
- The covered vehicle must have less than 36,000 miles and be less than 4 years old to qualify for coverage.

USED COVERAGE

- The covered vehicle must have less than 80,000 miles and be less than 12 years old to qualify (See inside for coverage options).
